College Student Takes His Investment Game To The Next Level In A Fractured Economy

PRWeb – Tue, Sep 20, 2011

CEO & Founder of Tiforp Business Ventures, A Colorado Based investment group, has taken several large financial positions in the technology space.

Boulder, CO (PRWEB) September 20, 2011

Colorado Based Company Tiforp Business Ventures, led by young serial entrepreneur Michael C. Abdy, has taken a significant position in a variety of technology companies. Incorporated in 2010, Abdy began his private investment portfolio and it has grown to one of the most successful early stage investment groups.

Tiforp has made significant investments into a range of iPhone applications, energy projects and early stage technology companies across the country. People close to Abdy explain he is also gearing up to launch the worlds first "Social Media Venture Capital Firm."

Notably, Abdy and his partners have taken a multi-million dollar position in Rock City Club, a new social music network that is set to launch next month. The project has attracted Nyhl Henson, Founder, CMT, MTV, Nickelodeon; Stacy Haitsuka, Founder of Netzero and Michael Dann previously the Head of programming at CBS. The website is said to have attracted eleven of the top music producers and songwriters worldwide including Ron Dante and Phil Ramone.

Abdy has signed on Jack Wishna to his advisory board. Wishna created some of the largest and most successful deals and companies in history. Some of which have included Michael Jackson, Donald J. Trump, Britney Spears, Wayne Newton, Mohamed al-Fayed, Phil Ruffin, Michael Flatley, Don Kirshner and many more in Entertainment, Real Estate, Hospitality and Leisure. Jack Wishna created The Trump International Hotel & Tower Las Vegas in partnership with Donald J. Trump and Phil Ruffin; Wayne Newton's \$250 million dollar contract with The Stardust Resort & Casino; Relocated Michael Jackson back to America to work on the 'Biggest Comeback in the History of Entertainment"; and recently founded ROCKRENA with the goal to have ROCK CITY CLUB become widely recognized throughout the world of music and entertainment as the preeminent vehicle for developing and promoting new talent and showcasing new talent alongside the biggest names in the music industry.

They have partnered with several other angel investors to take large equity stakes in the social media and technology space. "We've got the power and capital behind us, its just a matter of finding the right partners to bring to market," Abdy said.
