LAS VEGAS, March 5 /PRNewswire/ -- CPAmerica Inc., a Las Vegas company involved in creating the new Trump International Hotel & Towers project in Las Vegas, and developer Innovation Properties, have submitted a development concept proposal for a resort in Singapore.

The joint proposal is for a \$1.5 billion family-oriented resort destination for a 'Downtown at Marina Bay' location and for a location on Sentosa Island in Singapore, said Jack Wishna, president and chief executive of CPAmerica.

The Singapore Tourism Board recently solicited proposals for an integrated resort to potentially include Singapore's first casino. CPAmerica, Inc. presented a proposal for a family-oriented resort, with a casino component.

"Don Dorsey of Innovation Properties designed a world-class, family-oriented casino resort concept, and one that is perfectly matched to the Singapore governments goals for these sites," Wishna said.

The CPAmerica-Innovation Properties concept joins proposals submitted by Wynn Resorts, Sun International, Tabcorp, and MGM-Mirage that the Singapore government plans to review to potentially select one or two projects from this pool.
